

Combined Mounted Law Enforcement Unit – Presentation of Colors

The Presentation of Colors is always an exciting event, and this year will be done by a combined unit consisting of members of Michigan Mounted Law Enforcement Units, under the direction of retired Michigan State Police Detective Lieutenant Lorenzo Veal II. The United States flag, State of Michigan flag, Michigan Horse Council flag, as well as those representing the different Mounted groups participating, make for a colorful display.

Lorenzo is actively working with mounted law enforcement units throughout Michigan to make this combined group of Mounted Law Enforcement Units a reality. Mounted units from throughout the state have participated and will continue to participate, in the color presentations.

The Combined Mounted Law Unit has become so popular that requests to participate are even coming from out-of-state mounted units.

Included among those participating in this year's color presentation will be members of the Michigan Multi Jurisdictional Mounted Police Drill Team and Color Guard, which a year ago traveled to Washington, DC, and participated in the 2009 Presidential Inaugural Parade, and has participated in many Parades and Festivals since that time, including the Michigan State Fair.

The Combined Mounted Law Officer Unit will present the colors on Saturday, March 13, 12:45 p.m., and again on Sunday, March 14, 11:45 a.m. Both presentations will take place in the Main Arena.
