

## ***Black Dragon Farms, Fenton, Michigan***

**Lionheart**

**Alchemy**

Black Dragon Farms is a Friesian breeding farm in Fenton, Michigan, breeding a small number of high quality mares, both Dutch and American bred, to FPS approved stallions. All of our Friesians are FPS/FHANA registered.

Our model mare, Sietscke was the first mare born and bred outside of Holland to achieve model. Our younger mares are following right behind, one of them. Talisman, is a multiple first premie and grand champion and was invited back to Holland to compete, she has successfully completed the performance test in dressage.

The farm competes in many disciplines, dressage, driving, saddleseat, western and SCA events and jousting! In 2004 we started showing in the USDF Breeders Series with high praise from the U.S. dressage judges! Our favorite thing to do is demos, which shows off the Friesian and its abilities. We have performed in several states, and enjoy it immensely. All of our broodmares have done some type of performance, they are not just broodmares!!

Star of the show is our stallion, **Lionheart**, who is the USEF Friesian horse of the year. **Lionheart** has also won USEF Friesian Western and was Reserve Friesian Costume. In addition, he was IFSHA horse of the year: Halter Horse, Western Horse and Costume Horse. In addition to watching him in the Saturday evening show, you can visit **Lionheart** at his stall on Stallion Avenue.

Model mare, **Sietscke**, who will be our armored horse, has won the USEF Friesian Specialty Costume, as well as IFSHA Reserve Costume Award.

**Alchemy**, the USEF Region 2 Reserve Mare in Hand, as well as Reserve Western Champion in both USEF and IFSHA; also champion IFSHA in hand dressage horse. She will be presented in either Dressage or Western.

**Talisman** was the Reserve Champion IFSHA and USEF Saddleseat Mare, as well as the Reserve Champion Junior Exhibitor Horse is both IFSHA and USEF. She will be shown in saddle seat by Cassi, who showed her to these championships.

**Aeon** was the third place Saddleseat and Junior Exhibitor Horse both for IFSHA and USEF. She will be presented in Country Pleasure, Saddleseat.

Thrill to the magnificence and excitement of these beautiful Friesian Horses during the Saturday evening Spectacular, 8:00 p.m. on March 13, in the Main Arena.
